THE WINTER 2019-2020 MSO TRAIL BLAZER

MONTANA SENIOR OLYMPICS

CONGRATS TO 2019 COMPETITORS

2019 was the first year that the Montana Senior Olympics were hosted by Missoula Parks and Recreation. 314 athletes attended this year's games, and it's our hope to grow to over 400 attendees for 2020.

Those that attended this year's games were responsible for setting or tying 37 new records, with 21 of those records falling during the track and field events. Excellent job, to all those who attended. View complete results at <https://montanaseniorolympics.com/>

NEW EVENT PARTNERS

This year we are excited to partner with Run Wild Missoula for our road racing events, as well the Missoula Aquatic Club for swimming. We're looking forward to utilizing their expertise in their respective events.

The continuing support from Big Sky High-school, Larchmont Golf Course, Westside Lanes, Hellgate Archery Range, and City Life Community Center are also greatly appreciated. It is through these partnerships that we are able to provide our athletes with a place to showcase their individual skills. These games are truly a community effort!

VOLUNTEERS NEEDED!

Volunteers help us improve the Montana Senior Olympics for all involved, staff included. Course monitors, grounds crew, registration, course set up and take down, score reporting, and more are all needed. No contribution is too small.

Email Annie at petschauerA@ci.missoula.mt.us or phone 552-6664 to sign up!
